

*A Leader in the
Highway, Heavy Industrial,
Civil Construction Industry
For over 50 Years*

SUMMER INTERNSHIP PROGRAM 2008

OBJECTIVES

- ◆ To create a remarkable learning and professional experience for students while promoting enthusiasm for the highway/heavy construction industry.
- ◆ To ensure that students experience the benefits of working for a 21st century construction company.
- ◆ To provide students with practical, hands-on experience where they will be directly involved in the work.
- ◆ To create a pipeline for the best of the best students to join Barriere upon graduation from college.
- ◆ To keep Barriere supervisors in touch with the new generation of workers and provide a superior group of candidates to preview.

Asphalt Plant, Boutte, LA

TO APPLY

Résumés and letters of application are accepted year round. The program is open to all sophomores, juniors, and seniors enrolled in Civil Engineering and/or Construction Management degree programs.
